

# If you order food or if your pupils analyse recipes, reading this could make a big difference

## NutriGraph Online

### Ordering made easy + Nutritional Analysis + Sensory Analysis

- ✓ Easy access via internet, incl. on tablets & mobiles – **anywhere, any time.**
- ✓ Nutrition info helps pupils in class and in project homework.
- ✓ Each school controls its own recipes.
- ✓ Prompt support by phone or email.
- ✓ Cost: under £1 per week – stock control savings may recoup the fee!
- ✓ No charges for upgrades or support.
- ✓ Order information is stored to assist annual review of courses and costs.
- ✓ Colourful analysis graphs & charts.

### Comments from current online users

**“We are really impressed with the system.” (H.E. teacher)**

**“NutriGraph is a fantastic bit of kit.” (H.E. technician)**

### Try out the Demo at [www.nutrigraph.uk](http://www.nutrigraph.uk)

- Email/phone to arrange an easy start to the online version.
- Or ask for NutriGraph on approval.

**Your one-stop package for all ordering and analysing in Food Technology courses – three easy-to-use sections in one package, updated for easy online use.**
